But if you go to your account, all you see is different pricing options for you to purchase MORE. There is NO WAY TO CANCEL. I've scoured the net looking for a way to cancel this. I've emailed their customer service. Right now, the only thing left for me to try is to call my bank and have them block payment. It's like a venus fly trap lying in wait. Once you subscribe they have you HOOKED. They sneakily hide any way for you to cancel your subscription. Not only is this practice UNETHICAL and SLY, but the app itself DOESN'T WORK. I can't access ANY of the content that I PAID FOR. If I could give this app ZERO stars I would. This app works very poorly. There are times when the current issue is loaded very late in the morning but today, when I tried loading the current issue, I was reverted to yesterday's issue. Tried a couple of times but to no avail. It's frustrating. The developer, Philstar Daily Inc., has not provided details about its privacy practices and handling of data to Apple.
